Registration. Hi,. Can anyone part of autodesk help me on my issues in reactivating autocad software? i am usingÂ .In use with Mr. Trump, the term “enemy” took on a pejorative tinge. “I’m not looking for an enemy,” Mr. Trump said. “I don’t want any enemy. I don’t want any enemies.” That was in September 2015, four months after the deadliest terror attack in American history, perpetrated in Brussels by the Islamic State. Mr. Trump declared in a television interview during that campaign that he “would bomb the s— out of them.” “He conflates an enemy of the United States with people who are actually engaged in terrorist activities,” said John McLaughlin, a former director of the Central Intelligence Agency, who has advised Mrs. Clinton’s campaign. “That is so far off the wall. His actual narrative is that it’s other people he doesn’t like.” The foreign policy establishment largely has embraced Mrs. Clinton’s view that Mr. Trump is a dangerous, erratic choice. Indeed, on one of the biggest political risks of her career, Mrs. Clinton has become Mr. Trump’s ally — casting him as a man whose prejudice and inexperience would imperil the country. She has frequently highlighted the Republican nominee’s own past praise for the late Libyan dictator Moammar Gaddafi, who was notorious for his brutality and tolerance of terrorism. Mrs. Clinton has also cast Mr. Trump as so unstable that he could start a nuclear war on Twitter. “I have seen Donald Trump’s true colors for the first time,” she declared in a speech in August. “And they’re not the color of America.” And in a nod to Mr. Trump’s own playful flirtation with a nuclear button on Twitter, Mrs. Clinton suggested during the third presidential debate that Mr. Trump would be “financially responsible” for a nuclear war. Still, Mrs. Clinton and the Democrats acknowledged that Mr. Trump, in the end, may have a better chance of winning the White House than other Democratic
